The Town Council may provide compensation to said County Tax Assessor or to the Utilities Commission for furnishing the same.

Upon the presentation of such statement by said officer, the Town Council shall proceed by Ordinance to make the proper levy to meet the expenses of the Town for the current fiscal year.

SECTION 5. Recorder to extend levy upon tax books. Be it further enacted, That it shall be the duty of the Recorder, immediately after the levy of the taxes by the Town Council, to cause said levy to be extended upon the tax books in the same manner as extensions are made upon the tax books in the hands of the County Trustee, but according to the distribution of taxes by the

The Town Council may, by Ordinance, fix the time for the payment of taxes, from which time they shall bear interest and may require privilege taxes to be paid in advance; they may, by Ordinance, prescribe a penalty for the non-payment of taxes, which penalty shall be paid by each delinquent, and these penalties shall go into the general fund of the Town.

SECTION 7. List of taxable property, etc., to be deemed a writ of fieri facias. Be it further enacted, That the list of taxable property and polls in the hands of the Recorder shall be held and deemed a writ of fieri facias against the personal effects of the persons therein named and the Recorder shall have the same power and authority under said list to collect taxes that Constables now have under writs of fieri facias issued by Justices of the Peace or Courts of General Sessions.

SECTION 8. Special assessments suits authorized. SECTION 11. Severability clause. Be it further enacted, That if any one or more of the Sections or Sub-sections, or parts thereof, or any sentence, or clause, or phrase of this Act should for any reason be proven or held to be invalid or unconstitutional, such decision or holding shall not affect the validity or constitutionality, nor invalidate or impair the validity, force or effect of the remaining portions of this Act.
